

# Get a Customized Online Store for Your Brand

## WHAT'S A COMPANY STORE?

It's a custom **online store** that offers products branded for your company or groups within your company. The site is branded with your logo and only includes approved products the price points you negotiate.

## WHAT KIND OF PRODUCTS WOULD IT INCLUDE?

**Branded merchandise for your employees**

**Uniforms for your teams**

**Logoed items for the public**

**Gifts and incentives for your employees**

## LET'S TALK BENEFITS.

Here are the benefits of owning your own Company Store:

### APPROVED PRODUCTS

Select the products that fit your needs in the colors and features that match your brand standards. Have your own products to sell? Add them too!

### LOGO READY

Product images can appear with your logo ready to show how the final product will look.

### STREAMLINE THE PROCESS

Employees or customers can shop on their own for uniforms, branded materials or gifts from approved products.

### USER CONTROL

Allow only specified users to buy on the store or control what products each user can see.

### COUPONS AND POINTS

Assign coupons or points to users so they can shop only at certain price points.
